

BISON BASEBALL IS HEADING TO BALLPARKS OF AMERICA

We are **12u Bison Travel Team**. We are a youth travel baseball team from Gilberts and the surrounding suburbs and our boys have been working toward this Great Experience together. They are a dedicated group of boys that understand the meaning of the word "TEAM".

It is the dream of every baseball player to play in a National Event and ...Getting to play at Ballparks of America in Branson MO, takes Hard Work, Determination...and Funding. This tournament is an experience of a lifetime for every 12u Travel Baseball Player.

The boys will travel to Branson, MO. There, we are able to compete against some of the top teams from all around the country. The players and coaches will enjoy the experience of living, eating and playing as a team. They will all receive uniforms, and housing during their week long stay to further their bond as a team, then receive the honor to compete in a week-long tournament experience like no other.

Wow, what an Opportunity. Don't you wish you were 12 years old again?

Please, help us get our boys to BallParks of America. We need your help to meet our team goal and hope you will consider donating. If you could please look over the Sponsorship Selections below we would appreciate any donations that you could spare to help support our Great group of Kids.
